

New Health Order Aligns County with State; Opens More Business Sectors

The Sonoma County Health Officer has issued an amendment, effective at 12:01 AM, today, Friday, June 19 and continues in effect until the order is rescinded, suspended, or amended in writing by the Sonoma County Health Officer or by the State Public Health Officer.

This latest easing of restrictions of the County of Sonoma Shelter in Place (SIP) Health Order aligns with the State guidance. County Health Officer Dr. Sundari Mase urges residents that, "This latest health order shouldn't be seen as a return to normal. The virus is not contained and there's still a danger to the community by its continued transmission."

In summary, this amendment to the order allows for the re-opening of the following businesses:

- Gyms and Fitness Facilities
- Leisure Travel to Hotels
- Movie Theaters and Family Entertainment Centers

- Museums, Galleries, Zoos, and Aquariums
- Expanded Personal Care Services

As always, SVVGA encourages members to read the Order in full to best understand all aspects and details necessary to continue to operate your business in a safe and healthy manner.
